

Dear Mrs Donna Ockenden,

I would like to give a great thanks for receiving the Ockenden Award for Endeavor at this year's awards evening. I have certainly found my time at Portsmouth High School, Sixth Form, challenging but nevertheless fulfilling.

I studied Art, Religious Studies and Psychology at A level and am pleased to have earned 3As across those subjects. I must say I could not have achieved these results without the help and support of my teachers and peers; whom also helped guide me to securing my place at Kent, Canterbury University to study History of Art this upcoming academic semester.

Once again, I would like to thank you very much for this award, and I hope you are well.

AW
