

12th August 2017

Dear Ms Ockenden,

Thank you for the book token and your generous cheque for JDRF. I have now received confirmation that the charity has the cheque. I really enjoyed fundraising. I think having the stalls on the same day as the T20 cricket match worked well. We were very fortunate to have the support of fruit suppliers and sports retailers which ensured we raised a decent total.

It was an added bonus having the Chichester Observer cover the event which was exciting.

The charity cup is stunning and I am proud to have my name etched on it. I am looking forward to joining my next school where I intend to carry on my charitable efforts.
