Dear Donna

Thank you for your letter dated 2<sup>nd</sup> May 2017 regarding your recent visit to Wales on the 19<sup>th</sup> and 20<sup>th</sup> April.

It was a pleasure to have you attend the Heads of Midwifery Advisory Group meeting; which allowed us the opportunity to showcase our past achievements and current projects. We strive to work collaboratively using a 'Once for Wales' ethos to provide a standardised approach taking things forward.

As a group, we appreciate the update you provided from the NMC perspective and the opportunity this provided for us to feedback some of our views from Wales.

I will share your kind words with the Heads of Midwifery Advisory Group members and we look forward to your future visits to Health Boards within Wales.

Yours Sincerely

Deb Jackson  
Chair of HoMAG
